Calling an Ambulance

Ambulance Emergency Dial 111

Stay calm – take a deep breath. Pick up receiver – check for Dial Tone.

Dial 1-1-1 — Ask operator for AMBULANCE. Give Ambulance Controller the following details:

- PHONE NUMBER you are calling from
- LOCATION OF THE PATIENT – including Street Number, Street Name, Suburb, City and nearest intersection or landmarks.
- TYPE OF INCIDENT / INJURIES
- NUMBER OF PATIENTS and AGE when relevant.
- SPECIAL HELP or other services required.

Do not hang up until the Ambulance Controller does!

Whenever possible, have someone waiting on the roadside to direct the Ambulance Officers to the patient.

Learn First Aid.

Over the period we have supported the St John Ambulance, Fire Brigades, schools and preschools, local support agencies, Rautawhiri Park development including the emergency helipad and fitness trail, Coastguard and numerous youth and other organisations. We have built playgrounds, assisted with the walkway development, helped various sports groups and installed smoke alarms in homes. It was one of the first organisations to send aid to earthquake-stricken Kaikoura.

The motto of Lions is “*We Serve*”. This expresses the true mission of Lionism. The Helensville Lions Club strives to support as many local people and organisations as possible that require assistance, be it monetary or by practical means. We hold fundraising events regularly and all money raised is directed into the community projects and organisations we support.

This directory is one of the many projects we undertake and its success is entirely reliant on the advertisers who support it. We ask that you, in return support them so that the whole community can benefit.

Members of the Lions Club enjoy a friendly mix of business and social events and have fun while participating in community projects. We also meet monthly for a light meal and to discuss club activities. We welcome new members and ensure you can fit your Lions’ commitments around individual personal and career activities while contributing to your community. Members’ partners are included in many events and the club welcomes a diverse range of people and backgrounds.

a

Lions Clubs International has over 1.4 million members worldwide in 47,000 clubs in 208 countries, of which 383 clubs are in New Zealand. However the most important member is the new member. For it is this person who will contribute new initiatives and help lead the club into the future. They will have the opportunity to build upon and be part of the proud history of service by Lions and Lions Clubs all over the world.

As a Lion you will have many opportunities to learn and put into practice new skills, which you will develop over your years of service. These may include public speaking, leadership and organisational skills.

The many skills you learn through Lionism become valuable tools, which can be applied to daily life or business practices.

More importantly a Lion enjoys the friendship and fellowship of the men and women who share common values and commitment to their community. Whether the need is local or international, Lions get the job done, problems get smaller and communities get better.

If you are interested in finding out more about Lions, or joining us, please call.
